RE: SPONSOR – PINETOWN DISTRICT'S AWARD FUNCTION

Pinetown District annually rewards schools at an awards function. At that function we recognise schools that have achieved excellent results, or made significant progress.

We therefore make a humble plea to you and your company to sponsor the tokens (trophies) that we bestow upon our awardees. We are presently looking for a part sponsor to cover those expenses which amounts to R4500.

We will make mention of your company at our function which is attended by principals and SGB members of schools within the Pinetown District. That would give you free advertising publicly in return for your generous sponsor.

We would also like you to consider the proposition of adopting the entire awards function in future years to ensure that your company remains popular amongst our principals and SGB members. You have a product that will benefit the District Office as well as the schools and it is therefore in your best interest to promote our newly found relationship.

Sincerely

Mr E M Kganyo
District Manager
